

Newsletter - August 2020

Dear Parents,

A big WELCOME to James, Anna Maria, Olivia Grace and Isla who will be joining us. We hope they have great fun and enjoy making lots of new friends. A warm welcome back to children who join us again for our holiday club.

It's a girl! A huge congratulations to Sophie from the Discovery Room who welcomed a beautiful baby girl called Ava Louise on the 22nd of July with her partner Chris. Both Mummy and baby are doing well, we cannot wait for cuddles.

Tea Towels

We have only a few remaining tea towels. Please speak to Gosia if you are still interested. We are overwhelmed with the donations which are going to Beaumont House. Thankyou.

Holiday Club

Throughout the Summer we are offering a holiday club for those children who wish to use it. This will go alongside our Summer planning with a different theme every day. We have everything from A Beach Party to a Sports Day. If you would like to see the range of activities we have available, please give us a call 01636 704708.

Wish you were here!....

No matter where you go on a trip, please send us a postcard. You could be visiting the beach in Cornwall or taking a walk around Lincoln Castle. We are always interested in talking about what you have been up to. Please send us them from anywhere...

New Term

Next term starts on the 2nd September for the funded children returning to nursery. Please ensure that your funding forms and details are up to date.

Walks - Some of the children have been able to go on walks in their bubbles, around the village. We are trying to do these as often as we can, keeping to the measures of social distancing.

Ellie is the Employee of the month for July, as she is always happy and bubbly. She is becoming more confident in the Creative Room, working well with all children in her bubble. She is setting challenging activities and supporting children to learn new skills, moving them on to each next step in their development. **Well done Ellie.**

People Who Help Us

The children had a lovely visit from the local police, for them to look at the police car and talk to them about when and why we would need to call for the help of the police.

Children who are coming up to being 2 years old.

If you know of a child who is 2 before 1st Sept and would like a 15 hour Funded Place, then please pass on our details or ask us for our information pack.

Showrounds

If you know anyone that is looking for a nursery for their child and they are wanting to have a look around, we are making show rounds available in the evenings after 6pm and on a Saturday.

Tapestry

A big thank you to everyone who has sent in pictures of their children on their Tapestry profiles. It has allowed their key person to continue with their development even if they have not been in the setting throughout the lockdown. Please continue to send in pictures of anything that you are doing at home to keep those profiles going.

A new Adventure!!!

All the staff and children wish all of the leavers the best of luck in their new adventure. You will have a fantastic time at school. This year has been a little different, but we have kept in contact with the schools about the children and sent off transition forms, ensuring that their new setting knows as much about them as possible.
